

SUV Tailgate Spreaders

- Features an attractive and rugged thermoplastic black hopper and orange powder coated steel mounting frame.
- Fold-away feature. Simply release hitch pin and spreader folds away for easy access to rear door or tailgate.
- Capacity: 331 lbs. (4.413 cu. ft.) #1 rock salt or similar free-flowing dry material.
- Dimensions: 40.5"H x 22.5"W x 20.5"D.

TGSUV1B Residential Use

Ideal for the home owner/residential user. The adjustable spread path is designed for one-pass coverage of driveways and access roads.

- Heavy-duty 12-volt spreader sealed motor. Wire harness includes cigarette plug adapter.
- Material flow up to 12' to 14' controlled from a manual, stainless steel open/close gate and an in-cab on-off control.
- Ultra-smooth hopper interior allows material to flow through the gate, to the hopper throat and poly spinner, providing an even flow of material without the need of expensive auger add-ons or vibration kits.
- Comes complete with all mounting hardware for 1-1/4" and 2" receiver hitches.

TGSUVPROA Light Commercial Use

Ideal for residential or light commercial applications.

- Heavy-duty sealed ball bearing motor with variable speed controller.
- Material flow up to 30' controlled from an in-cab variable speed control.
- Ultra-smooth hopper interior and auger fight material bridging by channeling it to the hopper throat and poly spinner, providing an even flow of material without the need of expensive auger add-ons or vibration kits.
- Comes complete with all mounting hardware for 2" receiver hitches.

TGS01B	Tailgate Spreader	135 lbs.

Wintergate Spreader Mount

Add the optional Wintergate Spreader Mount to the **TGS05 Series** or the **TGS01 Series** spreader and enjoy the benefits of easy access to your pickup truck bed. Designed with adjustable, telescoping rails, the Wintergate mounting system accommodates any domestic, full-size pickup truck width. Now you have access to the bed of your pickup truck without having to remove the spreader and mounting assembly. The Wintergate allows you to remove two quick pins and rotate the entire spreader out of the way for full-bed access.

***Do not attempt to open the Wintergate until the spreader is empty of all material.**

PART NO.	DESCRIPTION	SHIPPING WEIGHT
025000A	Wintergate Spreader Mount	70.0 lbs.
